May 2013

This is always an exciting time of the year. The weather is turning a bit warmer, graduation caps and gowns are being prepared and summer vacation plans are underway.

The NYSPHSAA staff is busy working with sport coordinators and tournament directors to ensure the 2013 Spring Championships are well organized for the students who have an opportunity to participate. I am hopeful everyone has a chance to attend one of the upcoming events to show support for our exemplary student-athletes who have dedicated so much to this season. I wish everyone the best of luck as we prepare to conclude another successful school year.

Robert Zayas
NYSPHSAA Executive Director

NYSPHSAA Website Redesign:

Upon receiving approval from the Executive Committee on January 29, 2013, the NYSPHSAA staff has begun working with Spire Interactive to redesign the NYSPHSAA website. The anticipated launch will be late July in preparation for the NYSPHSAA summer meeting in Rochester and the 2013-2014 school year.

NYSPHSAA is excited to be incorporating design technology regarding user navigation not available on any other State Association website in the country.

The image to the right represents the initial layout and design of the site with much more work to be done.
