Dear Mrs. Schanck:

Harmony Christian School is a K-12 private school in Middletown, New York. We currently have an enrollment of 221 students, with 48 students in the Middle school and 74 students in the High School. We would like to be considered for the Friends and Neighbors status in the NYSPHSAA and the OCIAA.

We are currently members of the Mid-Hudson Christian Athletic League and the Metro Christian Athletic Association. We participate in soccer, basketball, volleyball, softball and baseball. Our teams are classified by Junior Varsity consisting of grades 6 through 8 and Varsity which is grades 9 through 12.

As our school and sports programs increase in enrollment, we are seeking the opportunity to play additional schools in our area. Therefore, we are requesting to become a part of the NYSPHSAA and the OCIAA so that we may be able to scrimmage teams and participate in tournaments with other schools within those associations.

We have in the past received numerous requests by teams/schools that are in the respective associations to scrimmage and participate in tournaments but have had to decline since we are not members.

I would like to reiterate that we are not requesting to be a part of the sport schedules. We are applying for Friends and Neighbors for scrimmage and tournament opportunities. Our hope for the future is that we may be able to become full members.

Thank you so much for your consideration. If you have need for further information please feel free to contact me.

Sincerely,

A handwritten signature in cursive that reads 'Rose Morrone'.
