Section IX Coaches Code of Conduct

In order to ensure that the principles of sportsmanship, fair play, skill development, and mutual respect among players, coaches, officials and spectators are the primary considerations governing competition in Section IX, the following Code of Conduct has been established and adopted.

Each coach shall:

1. Know the rules and abide by them. Instruct team members in the rules and coach his team in such a way as to motivate each player to compete according to the rules at all times.
2. Respect the game officials and refrain from questioning their decisions in a disrespectful or abusive manner.
3. Ensure that all facility rules and regulations are followed by the players, coaches and spectators, respecting at all times the property of others.
4. Ensure that fans of their team conduct themselves with sportsmanship and maturity at all times while in attendance at game sites, and assist the game officials in maintaining control of spectators during the games.
5. Respect the coaches and players of the opposing team and demonstrate appropriate gestures of sportsmanship during the play of the game and at its conclusion. Be humble and generous in victory. Be proud and courteous in defeat. Teach each player, especially through personal example, to be humble and generous in victory and proud and courteous in defeat.
6. Maintain emotional and physical control, avoiding the use of abusive language or profanity, humiliating remarks, gestures of ill temper, and physical assault upon another individual. Coaches should refrain from making comments from the bench during an opponent's shot from the free throw line.
7. Instruct team support personnel (e.g., assistant coaches, managers, scorebook keepers, and timekeepers) in their responsibilities in accordance with established rules and procedures.
8. Realize, accept, and practice the principle that a team's reputation is built not only on its playing ability, but also on its sportsmanship, courtesy and conduct.
