## EVENTS RISK AND EMERGENCY PLAN

AUGUST 2018

### I. Philosophy

Interscholastic athletics is an integral part of the total secondary educational program. Its purpose is to offer educational experiences not otherwise provided in the curriculum which will promote the student athlete's physical, mental, moral, social and emotional well-being.

Interscholastic athletics shall be primarily for the benefit of the students who participate directly or as spectators. The interscholastic athletic program shall exist for the value which it has for students and for the benefit of the sponsoring institutions.

### II. Purpose

A. A school's academic program and athletic program need to work together to achieve the overall goals of the education system. The purpose of a school's athletic program is diverse:

1. To subordinate it to the academic program which is the basis and prime reason for establishment of an educational institution;
2. To protect the good name of the school in the community;
3. To promote the principles of good citizenship; and
4. To recognize participation in athletics is a privilege.

### III. Objectives

- A. To provide safe athletic events and a meaningful experience for student athletes, coaches and spectators alike.
- B. To prevent a crisis from beginning or escalating.
- C. To focus on risk management and emergency plan for athletic events.

#### IV. Code of Ethics

A. It is the duty of all concerned with high school athletics:

1. TO EMPHASIZE the proper ideals of sportsmanship, ethical conduct and fair play.
2. TO ELIMINATE all possibilities which tend to destroy the best values of the game.
3. TO STRESS the values derived from playing the game fairly.
4. TO SHOW cordial courtesy to visiting teams and officials.
5. TO ESTABLISH a happy relationship between visitors and hosts.
6. TO RESPECT the integrity and judgment of the sport officials.
7. TO ACHIEVE a thorough understanding and acceptance of the rules of the game and standards of eligibility.
8. TO ENCOURAGE leadership, use of incentive, and good judgment by the players on the team.
9. TO RECOGNIZE that the purpose of athletics is to promote the physical, mental, moral, social, and emotional well-being of the individual players.
10. TO REMEMBER that an athletic contest is only a game...not a matter of life or death for player, coach, school, official, fan, community, state or nation.
